

SASPAC CLASSROOM MANAGEMENT

SASPAC has been a trusted name in education management since 1979 and is a leading developer of school management software. The combination of ongoing research and development, together with our in-depth understanding of education management means that you can trust **SASPAC** to provide you with an effective management system.

SASPAC CRM provides educators with a very powerful tool to manage and perform tasks in their classroom that otherwise would consume valuable hours of their time.

SASPAC CRM streamlines learner and subject administration and provides the educator with access to important information allowing them to make the right decisions. A daily register or even a period register may be taken, subject or general comments can be entered and parents can be communicated with via e-mail or SMS.
